Dean's List

To recognize the academic achievements of students, Sri Lanka Institute of Information Technology (SLIIT) has decided to introduce the Dean's List with effect from 01.04.2016. The Dean's List will comprise of academically best-performing students in a given semester. The students who fulfill following requirements will be qualified for the Dean's List.

- Should attempt all the exams, no incomplete stages
- Semester GPA should be above 3.7
- Should maintain an excellent track record in the discipline

All students from First Year, Semester One will be eligible.

It is a great achievement for a student to be included in the Dean's List. This will avail you for benefits that would enhance your future education and career prospects.

If you are eligible to be awarded under the Dean's list you will be notified so, in due Course by the Faculty as Dean's List Certificates are issued by the respective Faculty. Kindly Contact the relevant Faculty administrators for more information.
