Issuance of Course Outlines for Overseas University Applications

The Sri Lanka Institute of Information Technology (SLIIT) facilitates the issuance of module/course outlines to support requests from overseas universities and higher education institutions. These documents are provided to assist in evaluating applicants seeking admission to continue their higher studies abroad.

Please note that SLIIT issues the official syllabus directly to the requested university.

To Request a Course Outline:

- For Current Students: Submit your request via a Support Desck ticket only. (<https://support.sliit.lk/>>> Request/Inquiry type = Official Documents >> Course Outline)
- For Graduated (Pass-out) Students: Send your request to studentservices@sliit.lk
