Membership - The Institution of Engineers Sri Lanka (IESL)

Incorporated in 1968 by the Parliament Act No.17, IESL is the largest engineers' organization in Sri Lanka with over 20,000 members. We are actively engaged in providing engineering perspectives on issues of national significance to the government and the general public.

SLIIT Graduates and undergraduates SLIIT **MUST submit their university verification documents to SLIIT, ten (10) working days before the Date of Closing Applications given by IESL**, for SLIIT to review the applications and documents to confirm the application's authenticity with IESL.

Late applications submitted to SLIIT will NOT be entertained.

Example :

Name of the Examination	Examination Session	Date of Calling Applications	Date of Closing Applications	Examination Month	Examination Results	SLIIT DEADLINE FOR SUBMISSION of DOCUMENTS for VERIFICATION
IESL Entry Qualifying Examination	November 2021	17 March 2021	31 July 2021	EX001: (Engineering Mathematics) - 25 November 2021 EX002: (Science for Engineering) - 30 November 2021	February 2022	19TH JULY 2021
